

WHAT CAN GO IN THIS BIN?

COMPOSTABLE ITEMS

- Anything that used to be alive. Really.
- Food scraps, including meat, cheese, yogurt
- Dirty paper – Pizza boxes, paper plates, paper napkins
- Cardboard, sandwich wrapping paper
- Wax-coated cardboard is okay
- Flowers
- Compostables can be pretty gross – hair, spoiled meat, rotten fruit/vegetables
- BPI-certified products

NOT THESE ITEMS

- Plastics that are not BPI certified
- Paper cups (NEW – Paper cups and clean, empty paper containers are now accepted in mixed recycling collection.)
- Roadkill/dead wildlife
- Just the food – not the containers (no Styrofoam or plastics)
- Harsh cleaning agents (paper towels used with bleach, etc.)
